

PILLOW MENU

SOFT

This pillow is perfect if you sleep on your stomach, rest in special sleeping positions, or want to have an extra pillow in bed. The pillow has a high adaptability and is great to hug or shape.

MEDIUM

This pillow is absolutely perfect for resting on your side or back. All pillows are high quality, very airy, has good support and feels nice and soft to rest on.

HARD

This pillow is absolutely perfect for you who often turn from side to side. Our Femø pillows are high-quality pillows made of 100% soft cotton cambric, with a filling of clean and soft musk down.

ERGONOMIC

Our ergonomic master pillow gives ergonomic support when you lie down. If you want to sleep with a pillow that adapts to you when you rest in soft luxury, then the Ergomagic Master is the right pillow for you

ALLERGY-FRIENDLY

This allergy-friendly pillow is designed to provide a restful sleep without irritation. It's made with high-quality, breathable materials, offering great support and a soft, comfortable feel. Perfect for side and back sleepers

All pillows are oeko-tex standard certified and made in denmark

Please contact the reception if you wish to use our specially designed pillows
